BOARD OF TRUSTEES

Dear Trustee:

Enclosed is the Agenda and supporting information for the meeting which has been changed to Wednesday June 12, 1968, 1200 West Algonquin Road, Palatine, Illinois, 8:00 p.m.

I shall look forward to seeing you on Wednesday, eight o'clock in the evening.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert E. Lahti". The signature is written in a cursive style with a large initial "R".

Robert E. Lahti
President

enc.

WILLIAM RAINEY HARPER COLLEGE
BOARD OF JUNIOR COLLEGE DISTRICT 512
COUNTIES OF COOK, KANE, LAKE, AND McHENRY, STATE OF ILLINOIS

Minutes of the Adjourned Board Meeting of Wednesday, June 12, 1968

CALL TO ORDER: The adjourned meeting of the Board of Junior College District No. 512 was called to order at 8:12 p.m., June 12, 1968, pursuant to adjournment from the regular meeting of Thursday, May 23, 1968, at the Harper College Data Processing Center, 1200 West Algonquin Road, Palatine, Illinois, by Chairman Johnson.

In the absence of Secretary Nicklas, Member Hansen moved and Member Kuranz seconded the motion to nominate Member Hamill as Secretary Pro Tempore. The motion was unanimously carried.

ROLL CALL: Present: James Hamill, Milton Hansen, Richard Johnson and John Kuranz

Absent: John Haas, Roy Hutchings and Jessalyn Nicklas

Also present: Dr. Robert E. Lahti, Kenneth Andeen, John Birkholz, John Gelch, James Harvey, Robert J. Hughes, William Mann, H.R. Pankratz, Thomas Seward, John Thompson, John Upton, and George Voegel, Harper College; Molly Wiseman, Paddock Publications; Ralph P. Klatt, Des Plaines Suburban Times; and Roy L. Jenkins, President of the Village of Hoffman Estates.

MINUTES: Member Hansen requested the minutes of May 23, 1968 be corrected by the addition of the following underlined words; the meeting was called to order by Chairman Johnson.

Member Hansen moved and Member Kuranz seconded the motion to approve the minutes of the Regular Board Meeting of Thursday, May 23, 1968, as corrected. Motion unanimously carried.

DISBURSEMENTS:
Construction
Payouts

Mr. Mann reported the construction was about ten days behind schedule overall, due to the Memorial Day holiday and rainy days. He stated he felt this can be made up.

Member Kuranz moved and Member Hansen seconded the motion to authorize W. J. Mann, Dean of Business, to approve the following construction payouts:

L.K.Comstock-Gibson Electric Co.	\$ 34,287.96
Corbetta Construction Co.	506,569.50
Reliable Sheet Metal	4,688.55
William Ziegler & Son, Inc.	47,430.00
Fridstein Fitch & Partners	21,755.30

Upon roll call, the vote was as follows:

Ayes: Members Hamill, Hansen, Johnson and
Kuranz
Nays: None

Bills Payable

Member Haas entered the meeting at 8:20 p.m.

Member Hansen moved and Member Kuranz seconded the motion to approve for payment the Bills Payable as of June 12, 1968, as follows:

Educational Fund	\$30,088.84
Building Fund	11,039.99
Site & Construction Fund	<u>10,484.74</u>
	<u>\$51,613.57</u>

Upon roll call, the vote was as follows:

Ayes: Members Haas, Hamill, Hansen, Johnson
and Kuranz
Nays: None

Payrolls

Member Hansen moved and Member Hamill seconded the motion to approve for payment the Payroll of May 16 through May 31, 1968, in the amount of \$48,142.88, and the Estimated Payroll in the amount of \$121,000.00.

Upon roll call, the vote was as follows:

Ayes: Members Haas, Hamill, Hansen, Johnson
and Kuranz
Nays: None

Paragraph inadvertently omitted from minutes of June 12, 1968.

Corrected at meeting of June 27, 1968.

Member Kuranz reported on the progress of the proposed Northwest Suburban Steering Committee to be made up of business and industrial leaders from the area. The objective of the steering group will be to serve as a communication link between the college and the northwest suburban industry. Mr. Kuranz informed the Board the response had been encouraging but there were still a few more men whom he wished to contact. Dr. Lahti expressed the gratitude of the college for Mr. Kuranz's work with this group.

COMMUNICATIONS:

A letter was received from the President of the Village of Hoffman Estates requesting a Board resolution protesting certain land acquisitions by the Cook County Forest Preserve. Member Hamill informed the Board of previous action in this matter. As Mr. Jenkins, the Village President, was planning to appear before the Board, this matter was deferred until his arrival.

Dr. Lahti presented two requests from faculty members for consideration under the addition to the Educational Grants policy passed at the previous Board meeting. Dr. Lahti requested the Board refer back to the minutes of the May 23, 1968, meeting and reaffirm that motion. The Board agreed they were not interested in changing the previously established policy. After discussion, the Board indicated they did not feel these two requests met the requirements for special consideration under the Educational Grants policy.

Mr. Roy L. Jenkins, President of the Village of Hoffman Estates, appeared before the Board and discussed the condemnation proceedings which have been instituted by the Cook County Forest Preserve on land in this area. He went on to inform the Board of the action taken by the Village of Hoffman Estates in attempting to have 415 acres eliminated from the condemnation proceedings, the legal steps they have taken, their plans for this property, etc.

Chairman Johnson thanked Mr. Jenkins for appearing before the Board and informed him the Board would have to give more consideration to this matter before coming to a decision.

Member John Haas reported to the Board on a recent meeting of the legislative committee of the Board Division of the IACJC. He discussed the various amendments and those which the association has endorsed.

The Board reviewed at length the request presented by Mr. Roy Jenkins, President of the Village of Hoffman Estates, and agreed to support the position of Hoffman Estates in its efforts to reduce the amount of land being taken off the tax rolls.

NEW BUSINESS:
Construction
Change Orders
(Cont.)

Upon roll call, the vote was as follows:

Ayes: Members Haas, Hansen, Hamill
Johnson and Kuranz
Nays: None

Fund Transfer

Mr. Mann discussed the advantages of the transfer of interest accrued from the sale of the two college bond issues from the Bond and Interest Fund to the Site and Construction Fund.

Member Haas moved and Member Hamill seconded the motion to transfer \$53,094.42 from the Bond and Interest Fund to the Site and Construction Fund as recommended by the administration. Motion unanimously carried.

Depository for
Harper College
cafeteria-bookstore
funds, 1968-69,
Elk Grove Bank

Member Hansen moved and Member Hamill seconded the motion to approve the designation of the Elk Grove Bank as a depository for the Harper College cafeteria and bookstore funds for the fiscal year 1968-69. Motion unanimously carried.

Staff
Recommendations

Mr. Cunningham, Mr. Powell, Mr. Gelch and Dr. Andeen discussed the backgrounds and qualifications of six candidates recommended for faculty appointments.

Member Haas moved and Member Hansen seconded the motion to approve the employment of the following faculty candidates, for the position and at the salary requested:

Mr. Robert C. Smith, in the Division of Engineering, Associate Professor, at a salary of \$13,900.00 (nine month);

Mr. Kenneth E. Jauch, in the Division of Engineering, Assistant Professor, at a salary of \$11,900.00 (nine month);

Mr. James A. Heisler, in the Division of Engineering, Instructor, at a salary of \$10,500.00 (nine month);

NEW BUSINESS:
Staff
Recommendations
(Cont.)

Mr. Robert W. Tysl, in the Division of Communications, Assistant Professor of English, at a salary of \$12,300.00 per year;

Mr. Robert Lee Nolan, in the Division of Humanities and Physical Education, Instructor, at a salary of \$11,500.00 per year;

Mr. Richard Harrison Lockwood, in the Division of Humanities, Associate Professor, at a salary of \$13,250.00 per year.

Motion unanimously carried.

Dr. Lahti recommended a contract rider for Henry Roepken for eight weeks during the summer in the field of writing and journalism. Dr. Lahti informed the Board he wanted to use Mr. Roepken for special projects.

Member Hansen moved and Member Hamill seconded the motion to approve a contract rider for Henry Roepken, pro-rated on his salary, for eight weeks during the summer. Motion unanimously carried.

Revision of
Qualification
Sheet for
Assistant Dean
Vacancy

Dr. Lahti stated the college has had open the position of Assistant Dean for Continuing Education, and would now like to find an educator, sensitive to the junior college and to the curriculum, who could develop in both the area of Continuing Education and the Transfer Programs area. Consequently, Dr. Lahti asked the Board to approve the revision of the Qualification Sheet for Assistant Dean of Continuing Education and Transfer Programs.

Member Kuranz moved and Member Hamill seconded the motion to approve the revision of the Qualifications for Assistant Dean of Continuing Education and Transfer Programs as presented. Motion unanimously carried.

Bids for Purchase
of Science Equip-
ment and Supplies
and Instructional
Furniture

After discussion, Member Hamill moved and Member Kuranz seconded the motion to approve the awarding of bids for science equipment and supplies to the following companies for the totals indicated:

<u>NEW BUSINESS:</u>	Welch Scientific Company	\$3,571.38
Bids for Purchase	Welch Scientific Company	78.00
of Science Equip-	Denoyer Geppert (7 items)	842.50
ment and Supplies	Nystrom (13 items)	2,015.50
and Instructional	Cenco Instruments	4,400.33
Furniture (Cont.)	Scientific Glass	585.45
	Newark (8 items)	212.04
	Heathkit (2 items)	499.90
	La Pine Scientific	1,343.63
	General Biological	3,722.55
	Sargent	<u>8,393.32</u>
		<u>\$25,664.60</u>

and to approve the awarding of bids for the purchase of instructional furniture for the fall of 1968 to the following companies for the totals indicated:

Educational & Institutional Coop.	\$ 4,064.61
Educational & Institutional Coop.	1,240.89
Educational & Institutional Coop.	1,223.46
Franklin Lee	299.25
Educational & Institutional Coop.	172.26
Shelving Incorporated	166.74
Business Interiors	<u>53.18</u>
	<u>\$ 7,220.39</u>

The motion was unanimously carried.

Other

Chairman Johnson suggested to the Board the possibility of holding regular meetings only once a month during the summer. He recommended the following two subjects be discussed at adjourned meetings during the summer--long-range planning for the institution and administrative responsibilities and accountabilities in the face of an expanding institution.

Dr. Lahti informed the Board the administrators, division chairmen, and other key people were taking two days for an administrative retreat off campus, for the purpose of discussing what transpired last year preliminary to presenting any problems they might have to the Board.

Mr. Mann informed the Board the budget manual would probably be ready in a week.

PRESIDENT'S
REPORT:

Dr. Lahti reported on the formation of a Presidents' Council, stating there were now fourteen members. Dr. Lahti expressed the hope that more will be accomplished in the future than has been done in the past two years.

ADJOURNMENT:

Member Haas moved and Member Hansen seconded the motion that the meeting be adjourned at 11:40 p.m., to the Regular Board Meeting of June 27, 1968, at 8:00 p.m., at the Data Processing Center, 1200 West Algonquin Road, Palatine, Illinois. Motion carried unanimously.

Chairman Johnson

Secretary Pro Tempore Hamill

WILLIAM RAINEY HARPER COLLEGE

1968

Office of the President

June 1, 1968

TO: Dr. R. Lahti, President of Harper College

FROM: John Davis, Instructor

SUBJECT: Supplemental Grant--board action of May 24, 1968; section #3.

Sir:

I am submitting my application for a supplemental grant with the hope of your serious consideration. I have been attending the University of Chicago Graduate School on a part time basis this past academic year. As you may well know the tuition fee greatly exceeds that provided under Educational Grants: sec. 3.7.1. of the Policy Manual. It now appears that a raise in tuition will be in effect this fall. I have no choice of universities because the U. of C. is the only institution that offers any courses that will benefit me in my field of study. The tuition costs (not including books and transportation) are proving to be a great financial burden. This past year I have spent \$1,215.00 on tuition and for the academic year of 1968-69 it will cost another \$1,000.00 for a lesser number of courses. I feel that with these prices and because of the fact that I cannot attend less expensive institutions, I should be considered for additional aid.

I feel that I should continue my education for various reasons. Primarily this experience has proven extremely useful in my teaching at Harper. It keeps me in contact with the language and has provided me with a clearer concept of analysis and investigation which have been of great value in the classroom situation. A wider knowledge of my field enriches my teaching and enables me to offer my students a more complete view of the Spanish and their language.

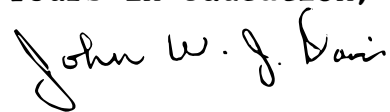

I also believe that since the University of Chicago has been compared in quality with Harvard and Yale, that anyone successfully completing a program of study there would be of credit to his faculty. A degree from the U. of C. carries great prestige, not only in the world of education, but in all segments of a professional modern society. I believe (and many will agree) that a degree from there is of much more value than an equivalent degree from almost any other institution because of the quality and quantity of work which is demanded from the student.

Page Two

I was told by various persons at the time I was hired that tuition was to be paid in full for continuing studies. I realize that in the case of the University of Chicago this is a large bill to fill. Even though the total tuition might not be reimbursed in my case, I feel that the present amount is highly inadequate.

I will appreciate any possible assistance. Thank you for your time and consideration.

Yours in education,

RE: Proposal for Reimbursement of Excess Tuition Paid for Graduate Study

The information below has been compiled for the purpose of describing the course work which I am undertaking at Northwestern University, and for which I am inquiring about additional reimbursement.

DATE	CREDITS	UNIVERSITY	FEEES PAID BY ME	AMOUNT RECEIVED FROM HARPER	EXCESS
1962	MS	I.S.U.			
1963	MS	I.S.U.			
1965	6 Sem. Hrs.	S.U.N.Y. at Buffalo			
1966	9 Sem. Hrs.	Ind. University			
1965	3 Sem. Hrs.	Northern Ill. Univ.			
1966	4 Sem. Hrs.	U. of Ill.			
Summer all int pri	1967	9 qt. hrs.	Northwestern	\$280.00	\$00.00
	1967	9 qt. hrs.	Northwestern	420.00	80.00
	1967-68	9 qt. hrs.	Northwestern	420.00	80.00
	1968	3 qt. hrs.	Northwestern	150.00	
TOTALS M.S. + 42 Sem. Hrs.			\$1190.00	\$160.00	\$1030

My final goal is the PhD. I have a few courses left to take and also the dissertation. I will be attending Northwestern full-time this summer. I also intend to take additional work in the fall and winter quarters.

I will appreciate your consideration on this proposal.

Re: Request for appearance before Junior College Board to
discuss Forest Preserve condemnation of property within
the Junior College District.

Dear Mr. Lahti:

This will confirm our conversation this date wherein I requested
to address the Board concerning the above matter.

The Forest Preserve District has filed condemnation proceedings
on approximately 2700 acres of land within the corporate limits
of Hoffman Estates, said land known as the Rossmoor property.
The deletion of this property from the tax rolls would represent
a tremendous economic impact on taxing bodies.

The Village is interested in having approximately 415 acres eliminated
from this acquisition and is prepared to go to court to fight for
this property. There are buyers of record who would purchase this
property if threat of condemnation were removed.

To date we have obtained the support, by resolution, of the Barrington
High School Board No. 244, The Barrington Elementary Board No 4,
the Hanover-Wayne Fire Protection District and the Hoffman Estates
Park District, and we now desire to request the Junior College Board
to adopt a similar resolution supporting our action.

The economic benefit which will accumulate to the taxing bodies
involved far overshadows the Forest Preserve District's request for
such a tremendous large piece of land to be set aside for strictly
land conservation purposes.

I will be at your meeting at approximately 8:30 p.m. Wednesday,
June 12 to address myself to the Board.

Respectfully yours,

VILLAGE OF HOFFMAN ESTATES

Roy L. Jenkins, Village President

Exhibit A

SUMMER CURRICULUM DEVELOPMENT PROJECT

WILLIAM RAINEY HARPER COLLEGE

Palatine, Illinois

June, 1968

A. Background

Behind the tremendous growth in community colleges is the idea of providing more training and education in technical, para-professional education, and in adult education, as well as the regular college academic program (college transfer program) for all interested learners within the "community." The teaching faculty of such institutions are carefully chosen for their competencies in their subject disciplines, but with the commitment to these forms of education in conjunction with an "open door" student admission policy, the instructional tasks imposed upon such a faculty are enormous. While the college buildings are being constructed and equipped with the latest educational devices including the various media, at present little is being done to help the faculty assimilate these new concepts and adapt to newer methods of instruction.

These developments pose a dual problem for the faculty here at Harper College. First they must adjust themselves to their newly expanded roles in the community college educational system, and in particular they must provide for individual learning in their curriculum and courses to meet the challenges of an open door policy. These challenges consist of providing for quality instruction to a diverse student body whose academic skills vary considerably. Secondly, in the process of accomplishing this, the faculty must begin to use different instructional and curriculum techniques, some of which may rely heavily on the media,

thus perhaps causing a somewhat apprehensive interest in the media due largely to a lack of a thorough understanding of the role of the media in instruction.

The faculty involved in such an instructional process is an important one, and one which is undergoing change. Some forward looking educators indicate that the lecture method is not entirely adequate for the transmission of knowledge and content, and that this is being replaced by a more individual teacher-pupil relationship which emphasizes what a particular student is learning rather than a package of knowledge which the teacher can present. A good teacher then is more than a content specialist, dispensing information about his subject, but is more like a diagnostician who knowing what he wants the student to learn, motivates this student, and prescribes what is needed for this student to achieve these outcomes. The teacher's goal in this process is to produce students achievements in such forms as improved language art skills (more broadly - symbolic behaviors), new insights, new attitudes and appreciations, and new abilities in whatever subject area that is undertaken. Thus not only is more training needed in developing the appropriate instructional materials but the Harper Faculty involved in undertaking this process will need to become aware of various curriculum approaches for learning.

It is with these thoughts in mind the following outline of a six week summer project for curriculum development has been

organized for interested faculty at Harper College. Included in such a consideration for faculty involvement is a faculty stipend.

B. Timetable of Curriculum Developments

Week One

- I. Background and Rationale for Curriculum Development
- II. Explore and develop four levels in the instructional approach:
 - A. Program
 - B. Courses
 - C. Units
 - D. Learning steps

Week Two

- I. Begin to establish instructional objectives
- II. Develop the three components of performance (listed below) within the objectives
 - A. Performance or task
 - B. Criteria or level
 - C. Conditions of circumstances of performance

Week Three

- I. Continue development of specific goals and objectives
- II. Establish performance objectives for specific course: its units and its sub-units

Week Four

- I. Modification of developed objectives and outlines
- II. Develop criteria tests

- III. Organize the units within each course and arrange the sequencing of course materials

Week Five

- I. Begin the development of instructional strategies and tactics to achieve the objectives
- II. The selection and development of instructional materials for use in learning steps

Week Six

- I. Further development of strategies and tactics
- II. Selection of instructional materials for use
- III. Develop provisions for evaluation of curriculum changes for succeeding semesters

The weekly sessions will be conducted from approximately 1:30 p.m. to 4 or 4:30 p.m. four days per week.

C. Estimated Costs

1. Six consultants (travel - approx. \$900., plus \$100/day x 2 days for each) or equivalent.	\$2,100.
2. Project supplies (ditto, tapes, paper, etc.)	500.
3. Faculty stipends (12 x \$600)	<u>7,200.</u>
TOTAL	\$9,800

D. Specific Objectives

1.00 Instructional Objectives, Curriculum Development, and Course Design

1.1 Knowledge Factors

- 1.1.1 Understand the curriculum pattern and structure for all courses within a subject area at the college.
- 1.1.2 Be able to identify the terminal behavior of the learners in the participants' own courses.
- 1.1.3 Be able to establish the criterion of acceptable performance by learners in the participants' own courses.
- 1.1.4 Describe the varieties of learning conditions and their implications for curriculum design.
- 1.1.5 Identify the categories of meaning and their importance in structuring the learning conditions.
- 1.1.6 Become acquainted with the factors involved in identifying students needing additional instructional help.
- 1.1.7 Be able to discuss the implications of a cybernatic "feedback" approach to learning as applied to the individual self instructional approach involved in the utilization of learning/study carrels.
- 1.1.8 Describe various "models" of organizing lesson materials along abstract-concrete, analysis-synthesis and other continuums.
- 1.1.9 Indicate how instructional materials would be used by teachers and students in relation to the objectives and curriculum.

1.2 Skill Factors

- 1.2.1 Develop an outline of all programs and courses given within a subject area field at the college.
- 1.2.2 Write instructional objectives for participants' own courses.
- 1.2.3 Specify the terminal behaviors desired of the learners in the participants' courses.
- 1.2.4 Write the criterion tests of acceptable performance.

- 1.2.5 Write the description of the modes of learning involved with the participants' courses.
- 1.2.6 Recommend the appropriate instructional strategy in relation to the objectives, meaning, modes of learning, and terminal behaviors.
- 1.2.7 Suggest the appropriate message designs (instructional tactics) to implement the achievement of learning in the participants' own courses.

1.3 Affective (Attitudinal) Factors

- 1.3.1 Understand and appreciate the rationale for the utilization of instructional objectives.
- 1.3.2 Be able to explain your insights into the importance of learning steps, units, and sub-units as an aspect of curriculum development.
- 1.3.3 Explain your "position" regarding feedback, modes of learning, and message design in relation to your own course.
- 1.3.4 Indicate the value of various media and materials in achieving the objectives set forth.

During the fifth and sixth weeks of this project the following objectives will be undertaken on a "as time permits" basis.

2.00 Selection & Utilization of Instructional Materials

2.1 Knowledge Factors

- 2.1.1 Determine necessary evaluation criteria for instructional materials in the specific subject areas of the participants.
- 2.1.2 Indicate how instructional materials would be used by the teacher and students in relation to the curriculum.
- 2.1.3 Within a particular lesson, list sequential steps a classroom teacher would follow to integrate the media effectively.
- 2.1.4 Indicate the appropriate instructional materials and equipment necessary for self-study by students in given subjects or courses.

2.2 Skill Factors

- 2.2.1 Establish a suggested format with appropriate criteria for evaluation of:
 - (a) Non-project materials (bulletin boards, displays, etc.)
 - (b) Projected materials such as film-strips, slides, and transparencies
 - (c) 8mm and 16mm films
 - (d) Audio materials such as records and tapes
 - (e) Programmed instruction materials
 - (f) Radio and TV programs
- 2.2.2 Preview various instructional materials if time permits and make an appropriate decision for use in the participants' individual subject area using the evaluation formats.
- 2.2.3 Propose effective departmental procedure for necessary selection of materials through previewing if none exists.

2.3 Affective (Attitudinal) Factors

- 2.3.1 Understand the capabilities and limitations of the educational media in an instructional/learning situation.
- 2.3.2 Indicate the value of various instructional materials and methods to achieve more interpersonal instruction, motivation, and student self-passing by independent learning.

HARPER COLLEGE CALENDAR 1968-69

FIRST SEMESTER

New Faculty Orientation	Sept. 3 - Sept. 6
All Faculty Report	Sept. 9, 10
Registration	Sept. 11, 12, 13
Classes Begin	Sept. 16
Last Day for Late Registration	Sept. 20
Last Day for Adding Classes	Sept. 27
Last Day for Refund	Oct. 11
Last Day for Withdrawals	Oct. 25
Midterm - Last Day to Make-Up Incompletes	Nov. 1
Thanksgiving Vacation	Nov. 28, 29
Classes Resume	Dec. 2
Christmas Vacation Begins	Dec. 20 (12 p.m.)
Classes Resume	Jan. 6
Final Exams	Jan. 16 - 23

SECOND SEMESTER

Registration for Second Semester	Jan. 29, 30, 31
Classes Begin	Feb. 3
Last Day for Late Registration	Feb. 7
Last Day for Adding Classes	Feb. 14
Last Day for Refund	Feb. 28
Last Day for Withdrawals	March 14
Midterm - Last Day to Make-Up Incompletes	March 21
Spring Vacation	March 31 - April 6
Good Friday	April 4
Easter Sunday	April 6
Classes Resume	April 7

Final Exams	May 29 - June 5
Graduation	June 6

SUMMER SESSION (8 WEEKS)

Registration	June 12, 13
Classes Begin	June 16
Independence Day	July 4
Classes Resume	July 7
Final Exams	August 7, 8

FACULTY ORIENTATION

September, 1968

Tuesday, September 3

Present: New faculty, administrative staff, division chairmen, and counselors.

9:00 - 10:00 Coffee and rolls

10:00 - 10:30 Welcome by President Lahti. Introduction of Administrative Staff, Division Heads, and Counselors. Comment on Organization Structure (overhead projector).

10:30 - 11:00 History and planning of college to date via slides.

11:00 - 11:30 Check list on personnel files and Business Office information, insurance, etc. Message from bookstore.

11:30 - 12:00 Distribution of Policy Manual, Procedural Handbook. Faculty Evaluation Procedure, and Faculty Orientation monograph.

 I. D. photos begun.

12:00 - 1:15 Lunch.

1:15 - 3:30 Meeting with Division Chairmen

 Classroom supplies and texts
 Outline of Divisional plans
 Allotment of office spaces
 Tour of Elk Grove and Forest View

Wednesday, September 4

9:00 - 10:15 Discussion of materials distributed on Tuesday by Administrative Staff. Opportunity for questions. Philosophy of faculty involvement.

10:15 - 10:30 Coffee break.

10:30 - 12:00 Presentation by Office of Student Affairs.

12:00 - 1:15 Lunch

1:15 - 3:30 Individual preparation
 Completion of I. D. photos.

Thursday, September 5

9:00 - 10:15 Presentation by Office of Data Processing.

10:15 - 10-30 Coffee break.

10:30 - 12:00 Presentation by Learning Resources Staff.

Library
Learning Media

12:00 - 1:15 Lunch

1:15 - 2:30 Student Profile presentation.

2:30 - 3:30 Divisional meetings.

Continued discussion and explanation of
distributed materials.

Explanation of Divisional functioning.

Divisional assignments to subcommittees.

Friday, September 6

9:00 - 10:15 Presentation by Office of Business Affairs

Budgeting procedure
Requisition of supplies
Role of classified personnel
Harper as tenants at Elk Grove and Forest
View High Schools

Question period.

10:15 - 10:30 Coffee break.

10:30 - 12:00 Presentation of Faculty Organization by President of
Senate.

12:00 - 3:30 Faculty Luncheon and Distinguished Guest Speaker.

Monday, September 9

Present: Entire faculty and staff.

9:00 - 10:00 Coffee and rolls.

10:00 - 12:00 Introductions

 New Administrative Staff
 Division Chairmen introduce their new members.

 Address by the President.

 Remarks by Deans concerning respective areas.

 Space allocations in Elk Grove and Forest View
 (overhead projector).

12:00 - 1:15 Lunch.

1:15 - 2:45 Distinguished Guest Speaker

 Address
 Question period.

2:45 - 3:30 Divisional meetings

 Final discussion on texts and supplies.
 Details of space allocation.
 Broad survey of plans for the semester and the
 entire year.

Tuesday, September 10

9:00 - 10:15 Registration procedure. Flow chart on overhead projector.
 Walking tour through registration area.

10:15 - 10:30 Coffee break.

10:30 - 12:00 Divisional meetings.

 Detailed analysis of immediate objectives and methods.

 Completion of assignments to subcommittees.

 Schedule of meetings by entire division and subcommittees.

12:00 - 1:15 Lunch.

Faculty Orientation, September 1968

1:15 - 2:45 Distinguished Guest Speaker

 Address
 Question period.

2:45 - 3:30 Individual preparation.

Wednesday - Friday

 Registration

Monday, September 16

 Classes begin

Recommendation: The administration recommends approval of the orientation program for the faculty during September, at a cost of \$1,500. This cost would include (1) luncheon and (3) outside resource speakers.

EXHIBIT C

May 27, 1968

Mr. William Mann
William Rainey Harper College
34 West Palatine Road
Palatine, Illinois

Dear Bill:

Thank you for returning Change Orders 8 and 9 to this office.

Apparently there was a mix up on this transmittal. We had instructed the contractor to send them directly to you. Enclosed is a copy of our letter to the contractor, one of which was sent to you.

At any rate, the reason for this work is stated on the "Request and Justification for Change" form which is a part of the change order.

Further clarification is as follows:

- a. Change Order #8 - The method of ventilating the transformer vaults required, by Commonwealth Edison Company, is different than that shown on the contract documents. C. E. Company requires that the fans be located outside of the vault so that any service work done on it can be made without interfering with the service or possible injury to a workman. This is a relatively recent requirement.
- b. Change Order #9 - The plan does not show motor operators on the three overhead doors in building "B". These have been requested and this is the additional cost involved.

If you have any further questions on these change orders please call me. Otherwise, will you have them processed in the usual manner so that the work can be put in.

Cordially,

Robert B. Fridstein

EXHIBIT D

June 7, 1968

To: Board of Trustees

From: Administration

Subject: Accrued Interest on Our Bond Sales

The accrued interest from the sale of our two bond issues has been deposited in the Bond and Interest Fund. Our auditors thought originally that this was the proper place to place these funds. However, because the levy that retires the interest on these bonds is figured from the date on the bonds, this procedure would in effect place this money in the Bond and Interest Fund twice. The accrued interest amounts to \$53,094.42.

We have since had discussions with the auditors and have consulted with Mr. Hines. The conclusion reached by the administration, our attorney, and our auditors is that this money could be deposited in the Site and Construction Fund. Aside from this being the appropriate way to handle these funds, this fifty thousand dollars will be worth two hundred thousand dollars in construction, based on the current state matching formula.

The administration recommends that \$53,094.42 be transferred from the Bond and Interest Fund to the Site and Construction Fund.

FOR OTHER INFORMATION AND REMARKS PLEASE USE THE REVERSE SIDE OF THIS FORM.

ASSISTANT DEAN OF TRANSFER PROGRAMS
AND CONTINUING EDUCATION

The assistant dean of transfer programs and continuing education has line responsibility to the dean of instruction, carrying out staff responsibilities with the assistant dean of learning resources and the assistant dean of career programs in areas of mutual concern.

This officer:

- A. Assists the dean of instruction, together with the other assistant deans, in planning, organizing, and administering the educational program of the college.
- B. Cooperates with the other assistant deans in coordinating curricula and offerings.
- C. Assists the dean of instruction in evaluating transfer and continuing education curricula through guided research, examinations, class contacts, and conferences with teachers and members of the administrative staff, in coordination with the office of the director of research.
- D. Assists the dean of instruction in coordinating the development and revision of curricula through the activities of division chairmen and their faculties.
- E. Organizes and helps to supervise the evaluation of instructors coordinating the activities of division chairmen and other members of his staff in effecting a systematic program of evaluating probationary instructors. Recommends the retention or termination of the services of probationary teachers and other staff under his supervision to the dean of instruction.
- F. Provides general supervision in the selection of instructional materials.

- G. Studies the adult educational needs of the community, cooperating with the director of research on continuing surveys, and recommends programs and offerings to meet these needs.
- H. Works with community organizations and groups in developing continuing education programs.
- I. Assists the dean of instruction in the preparation of the college catalog and curricular bulletins.
- J. Helps supervise the preparation of the master teaching schedule, assigning classrooms and other instructional facilities in consultation with the other assistant deans.
- K. Approves examination schedules in cooperation with the other assistant deans.
- L. Helps develop a plan for the orientation of new faculty and supervises, in consultation with other assistant deans, the in-service training programs for instructors.
- M. Prepares status reports on activities under his jurisdiction, including teacher loads, class size, and records of transfer students for evaluation by the dean of instruction.
- N. Submits budgetary requests for his staff to the dean of instruction for approval.
- O. Develops requirements and qualification specifications for personnel under his jurisdiction and recommends their selection.

QUALIFICATIONS FOR ASSISTANT DEAN OF CONTINUING EDUCATION
AND TRANSFER PROGRAMS

Personal Qualities

1. Desire to devote considerable energy to developing and coordinating transfer and continuing education programs.
2. Demonstrated ability to work cooperatively and effectively with the faculty, division chairmen, and the deans of the college in promoting transfer and continuing educational programs.

Professional Qualifications

1. Undergraduate and graduate degree in a teaching field with successful teaching experience. Prefer Doctorate or minimum M. A. + 30 hours.
2. Have demonstrated keen administrative ability in relating to all facets of an urban community.
3. Strong background in the role of the comprehensive community college.

Professional Strengths

1. A strong commitment to and willingness to accept the role of the comprehensive community college in an urban community.
2. Ability to coordinate and direct the affairs of a large transfer and continuing education program for a population base of approximately 250,000 people in a suburban community.

Anticipated Employment Date and Salary Range

Employment date: August 1, 1968.

Salary: \$15,000 - 19,000 depending upon experience.

Memo to the Board:

I am including a copy of the President's message to the faculty for Board information. I am calling your attention to this document because some of the topics I have included are included in the proposed Summer Workshop, i. e. the development appropriate course objectives, behavioral performance objectives, individualized instruction etc. I will be pleased to respond to any questions the Board may have about my presentation, and will welcome your comments.

A handwritten signature in black ink, appearing to read "President", with a horizontal line underneath it.

FOR BOARD ACTION

I. SUBJECT:

Recommendation for the awarding of bids for the purchase of laboratory equipment and supplies for the Science Department.

II. REASON FOR CONSIDERATION BY THE BOARD:

Total request is in excess of \$5000 and requires Board approval per policy.

III. INFORMATION:

In accordance with Board purchasing policy, specifications have been established, advertisements placed and bids solicited for the subject material. Since there were a total of 1182 different items involved it was felt that grouping them into ten basic categories would be the most expedient way of obtaining good bids. Bidders were requested to quote on individual items and also to give a lot price for each bid (see our covering letter to all bidders.) The results of the bids are tabulated on the following pages.

Bid Request Q-201 (24 Items for Physics)

<u>BIDDER</u>	<u>ITEMS BID</u>	<u>TOTAL BID</u>	<u>LOT PRICE</u>	<u>ADJUSTED TOTAL FOR NO BID ITEMS</u>
Welch	All	\$3571.38	\$3571.38	-----

Sargent	351	8393.32	8393.32	-----
Sci. Prod.	0	-----	-----	-----

IV. SUMMARY:

In order to compare bids on a cost level it was necessary to add what the cost would be to Harper College for items not bid to the total price on partial bids (see our covering letter to all bidders). In this way we were able to determine what would be the most economical purchase in each group.

V. RECOMMENDATION:

The administration recommends that the Board of Trustees award the bids as follows:

Q-201	Award to Welch Scientific	\$3,571.38
Q-202	Award to Welch Scientific	78.00
Q-203*	Award to Denoyer Geppert (7 items)	842.50
	Award to Nystrom (13 items)	2,015.50
Q-204	Award to Cenco Instruments	4,400.33
Q-205	Award to Scientific Glass	585.45
Q-206	No award, to be rebid	
Q-207	Award to Newark (8 items)	212.04
	Award to Heathkit (2 items)	499.90
Q-209	Award to La Pine Scientific	1,343.63
Q-210**	Award to General Biological	3,722.55
Q-211	Award to Sargent	<u>8,393.32</u>
	TOTAL AWARDS	\$25,664.60

* This group consisted of anatomical models and although price has a bearing, it was necessary to consider the actual use intended and if the models quoted would meet all the requirements. The decision, herefore, was to recommend the award to the lowest bidder who bid exactly as specified.

** Here again the items requested are of a type where availability is limited and quality and content must be weighed carefully against cost. In this instance only one company bid, but the items bid were as specified by our Science Department.

May 10, 1968

Gentlemen:

Attached please find two copies of individual quotation requests. Catalog numbers are given for identification purposes. Substitutions of equivalent items in quality and utilization are acceptable but we reserve the right to reject any substitutions which in our opinion do not meet our particular requirements and specifications. Each quotation will be awarded complete to the lowest bidder. The lowest bidder will be ascertained according to the following procedure.

Total price per bid will be determined as follows:

1. Items not quoted will be added to the quoted price at list prices.
2. Substituted items considered by us not equal to the items specified will be added to the quoted price at list prices.

Some bidders could be in a position to bid complete on more than one of the quotation requests. In instances of this nature a total price covering more than one quotation should also be included in your bid.

For the convenience of everyone concerned we have listed on page two of this letter all the quotation requests involved with a space provided for your total bid for each. In addition the last line should be used for a total bid covering a combination of any of the individual bids. Please return a copy of this letter and of each bid properly signed to the attention of the writer.

Combined total for quotations _____

All quoted prices firm for 60 days from date of quotation
and are to be FOB destination.

INSTRUCTIONS

- 1. Your quotation must be made on this form.
2. Sign and return original and retain duplicate for your files.
3. Unsigned bids will not be considered.
4. Give complete specifications for any substitution offered.
5. Mark envelope "QUOTATION" and mail to: WILLIAM RAINEY HARPER COLLEGE, 34 WEST PALATINE ROAD, PALATINE, ILLINOIS 60067

ATTENTION: D. M. Mistic
Purchasing Agent

Table with 5 columns: Quotation Request No., Date, Page, Your Quotation No., Quotation Due. Below is a detailed table with columns: Item No., Quantity, DESCRIPTION, Unit Price, Extension. It lists various items like wire gage, cork assortments, borer set, sharpener, steel balls, hygrometer, water traps, Tesla coil, Hall carriages, lenses, weight hanger, ball sets, centripetal force, Archimedes Principle Apparatus, hand air pump, induction coil, galvanometer, string vibrator, parallel jaws clamp, horizontal rod adapter, image screen, adjustable vertical slit, object box, Balmer tube, power supply, tube holder, sling psychrometer, and Joule's equivalent.

substitution offered.

Quotation Request No.		Date	Page 1 of 2	Your Quotation No.	Quotation Due	
Q-206		5/10/68			May 29, 1968	
Item No.	Quantity	DESCRIPTION			Unit Price	Extension
		<u>WARDS NUMBERS</u>				
1	8 lbs	15W8400 rubber stoppers, asst. sizes & types				
2	1 doz	15W0809 test tube brush				
3	1 gross	17W1060 sampoules				
4	1	32W1961 The story of fluorescence				
5	1	45W5150 fluorescent mineral asst. entire series of 5 sets				
6	1	45W4210 comprehensive collection mineral grain thin section				
7	1 set	33W1310 plastic relief maps of U.S.G.S. quads (12)				
8	1 set	80W4300 set of 5 Grand Canyon relief models				
9	4	18W1420 funnels 4" diameter				
10	100	18W1250 bottles with screw caps 8 oz.				
11	4	18W4150 wash bottles 8 oz.				
12	1	29W3000 dual wave ultraviolet lamp				
13	1	45W3295 larger blowpipe mineral collection				
14	1	45W8040 strategic industrial & ore mineral collection				
15	10 gm	38W8680 Rose bengal				
16	144	17W0141 opticlear vials, 3 dram				
17	10	25W2950 pocket stereoscope				
18	1	71W2300 introduction to fossil, 320 frames				
19	1	50W1000 survey of invertebrate fossils (125 specimen)				
20	1	80W1500 evolution of the fishes				
21	100	18W6200 transparent plastic specimen vials				
22	100	18W6210 transparent plastic specimen vials				
23	144	17W0123 snap cap vials, 8 dram				
24	1	33W2416 spherical coordinate desk outline charts				
25	144	80W3010 styrofoam sphere 3/4"				

substitution ordered.

Title

EXHIBIT F

FOR BOARD ACTION

I. SUBJECT:

Recommendation for the awarding of bids for the purchase of office and classroom furniture.

II. REASON FOR CONSIDERATION BY THE BOARD:

Total request is in excess of \$5000 and requires Board approval per policy.

III. INFORMATION:

In accordance with Board purchasing policy, specifications have been established, advertisements placed and bids solicited for the subject material.

The 19 different items were divided into four distinct groups. This was done since it was felt that items used together should be of the same manufacturer, to better insure that the overall installation will have continuity and give a better overall appearance.

Seventeen bid requests were sent out; the results of which are tabulated on the following pages.

On page two the total cost per each group is tabulated.

On page three the cost per item is tabulated.

IV. SUMMARY:

A number of bidders quoted on alternates which they offered as equals to the items specified on our quotation request. Messrs Collins and Misic checked into the majority of the alternates at various showrooms in and around the Merchandise Mart.

Costs, construction, appearance and compatibility with present and future requirements were all taken into consideration in determining which bidders should be recommended.

In Groups A & C - Steelcase was specified. Alternate lines bid were HON, Cole Steel, Globe Wernicke and Lyon Metal. We were unable to see the Lyon Metal line in the time allowed, but in our opinion the other lines investigated were not equivalent to the Steelcase items specified. The lowest bidder for Group A (RMS) specified HON and was \$837.41 below the lowest bidder specifying Steelcase. It is our opinion that even though there is a sizeable difference in cost, that the Steelcase items offer more value per dollar invested, in quality, function and appearance.

V. RECOMMENDATION:

The administration recommends that the Board of Trustees award the bids as follows:

Group A	Educational & Institutional Cooperative	\$4,064.61
Group B	Educational & Institutional Cooperative	1,240.89
Group C	Educational & Institutional Cooperative	1,223.46
Group D	Franklin Lee (Item 15)	299.25
	Educational & Institutional Coop (Item 16)	172.26
	Shelving Incorporated (Item 17 & 18)	166.74
	Business Interiors (Item 19)	53.18

TOTAL For All Awards is - - - - - \$7,220.39

To: Board of Trustees
From: Administration
Subject: 1968-69 Legal Budget

Please find attached the legal budget for 1968-69.

This budget is a summary of the actual operating budget that will be in greater detail and will be used by the college next year. The legal budget has been set high enough to cover any unusual increase in anticipated enrollment for the next year. The operating budget will be based on an F.T.E. of 1800 students for the 1968-69.

2/12/68
