Why the Job Placement Resource Center ?

The JPRC provides many ways to help employers post their job openings and recruit Harper students. Our online system, Hire a Hawk, is a free service for employers to post their job opportunities to students, alumni and community members. Once employers register and post their jobs on Hire a Hawk, students can apply directly to jobs and employers can view students' resumes. Employers can also advertise their company and job openings through a video made available to classes.

FREE resources available to employers include:

- Online Job Posting site
- Targeted Job Fairs
- Job Flash Boards
- On Campus Recruiting
- Classroom outreach through recorded videos
