

Request for Bid Q01179
Furnish, Deliver and Set-in place Acoustical, Hybrid and Digital Pianos
Addendum #1
January 9, 2024

All changes to the Request for Bid (RFB) are valid only if they are issued by written addendum. Each respondent must acknowledge receipt of any addenda in their bid submission. Each respondent, by acknowledging receipt of any addenda, is responsible for the contents of the addenda and any changes to the bid therein. Failure to acknowledge receipt of any addenda may cause the bid to be rejected. If any language or figures contained in this addendum are in conflict with the original document this addendum shall prevail.

This addendum consists of the following clarifications and additional information:

1. The 4% aspirational goal and the Letter of Intent has been removed from this contract. However, the College has an aspirational goal of spending 30% of its procurement spend with Minority & Women owned businesses. To help us to achieve this goal each bidder should attempt to contract with Minority and Women Business enterprise programs where possible. Please access the database to identify BEP vendors and list them on the Utilization Plan form. Link to BEP Database (<https://supplierdiversitymanagementportal.illinois.gov/VendorDirectory.aspx>).
2. Correction on the Location and Serial Number for Line 7 on the list of Harper Pianos to be Traded in and/or Removed:

Line	Brand	Model	Serial Number	Location	Trade-In Value	Removal Fee
7	Essex	Upright	E118787C	P111	\$	\$

3. The contract may be awarded to one or more bidders, based on category of pianos, whichever is beneficial to the College.
4. Under the Detailed Specification/Background (pg. 15, 2nd paragraph), it originally reads “The College has 25 pianos designated for trade-in, removal, or disposal. The selected vendor will be responsible for removing these pianos and relocating any others to practice rooms as needed.” We are removing the work portion of “**relocating any others to practice rooms.**” All other specified work will remain the same.
5. Replace the existing bid Proposal form with the attached revised bid form.

Sincerely,

Nathan Chung
