

MyHarper Student Portal Overview:

My Unread Emails

Access to your official Harper Email account and a view if there are any unread emails

My Blackboard Classes

View and access all classes using Blackboard

Announcements and Campus Events

View important campus information and Events on Campus

My Class Schedule

View current course registration and important dates like Drop and Withdrawal dates

My Progress

Displays current Area of Interest and progress towards current credential. Includes a link to Degree Works where the educational plan created with an Advisor can be viewed

My Advisor

Assigned Advisor's name and contact information will be displayed along with the ability to book an appointment online

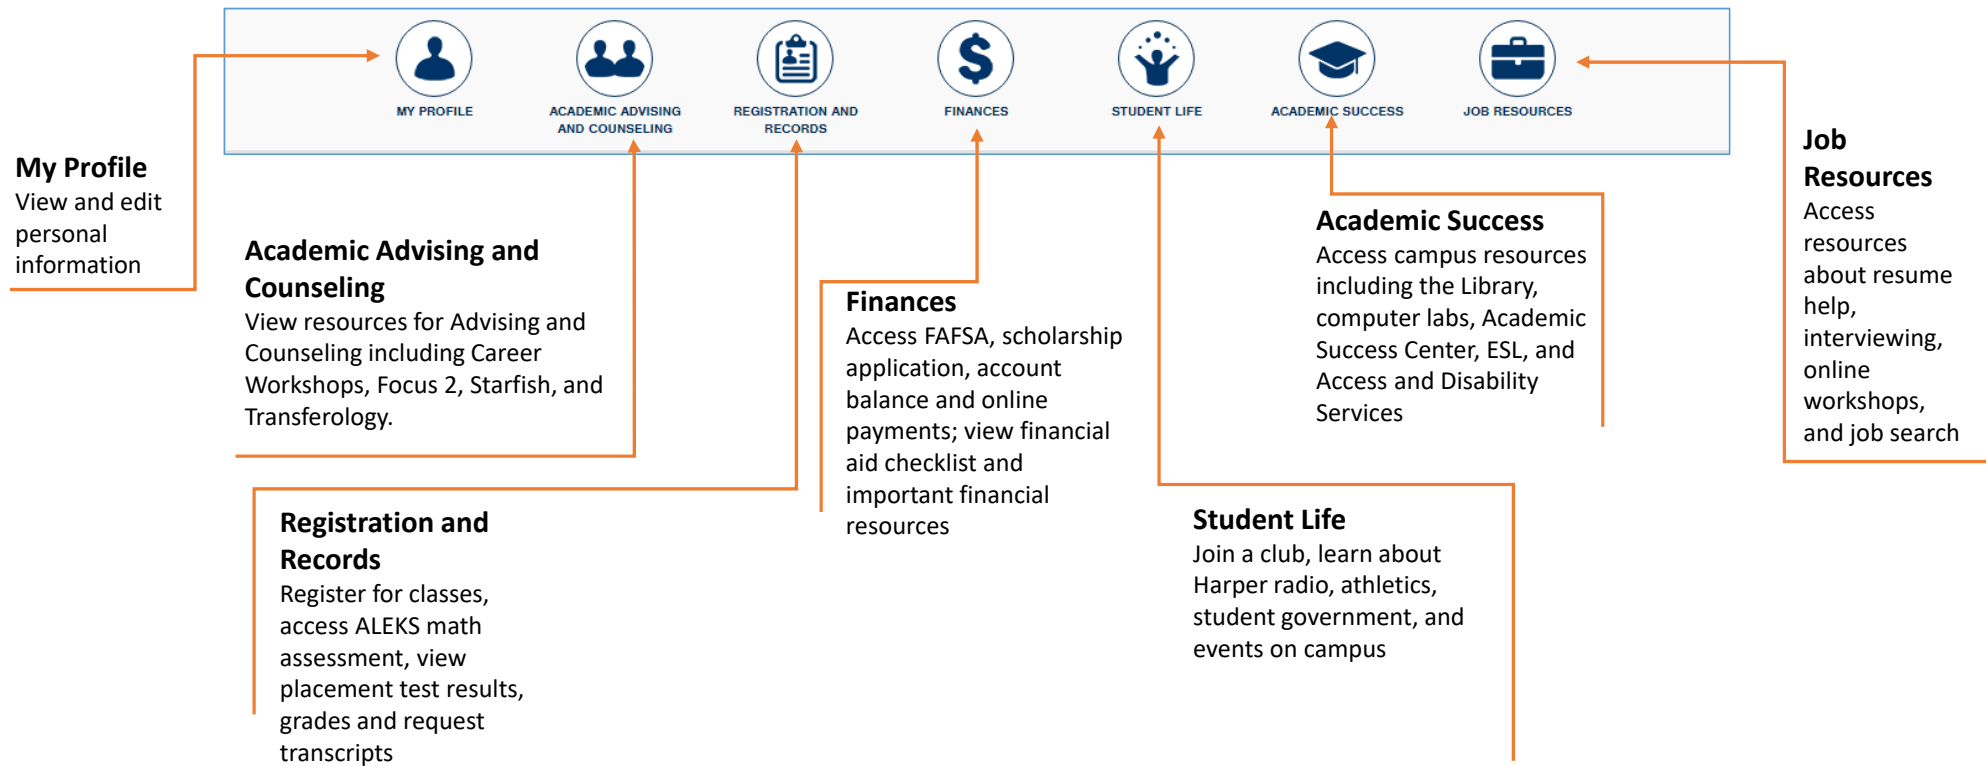

The screenshot shows the MyHarper Student Portal dashboard. At the top, there is a navigation bar with icons for: MY PROFILE, ACADEMIC ADVISING AND COUNSELING, REGISTRATION AND RECORDS, FINANCES, STUDENT LIFE, ACADEMIC SUCCESS, and JOB RESOURCES. Below this, the dashboard is divided into several sections:

- My Unread Emails:** Shows "You Have 2 Unread Messages" and a button to "Check your student email".
- My Blackboard Classes:** A button to "Check your classes at Blackboard."
- Announcements and Campus Events:** Features a "Top Three Things To Know" section with a video link and a "Grades Available" notice for August 13.
- My Class Schedule:** Lists "COURSES I'M ATTENDING:" for Fall 2019, including BIO 101 BIOLOGY SURVEY (31043) with details on refund dates, instructor (Susan Peterson), and location.
- My Progress / My Plan:** Shows progress for "Engineering/Math/Computer Sci Associate in Science" with a 36% completion bar, "Credits Required: 60" and "Credits Completed: 14". It includes buttons for "Degree Works (Degree Planning)" and "Graduation Application".
- My Advisor:** Displays the name "Heather Cobb", "Advising Services", phone number "847.925.6220", email "hcobb@harpercollege.edu", and room "A-364". A button for "Schedule an Appointment" is also present.

Orange callout boxes with arrows point from the text descriptions to the corresponding sections in the screenshot.
