

Starfish

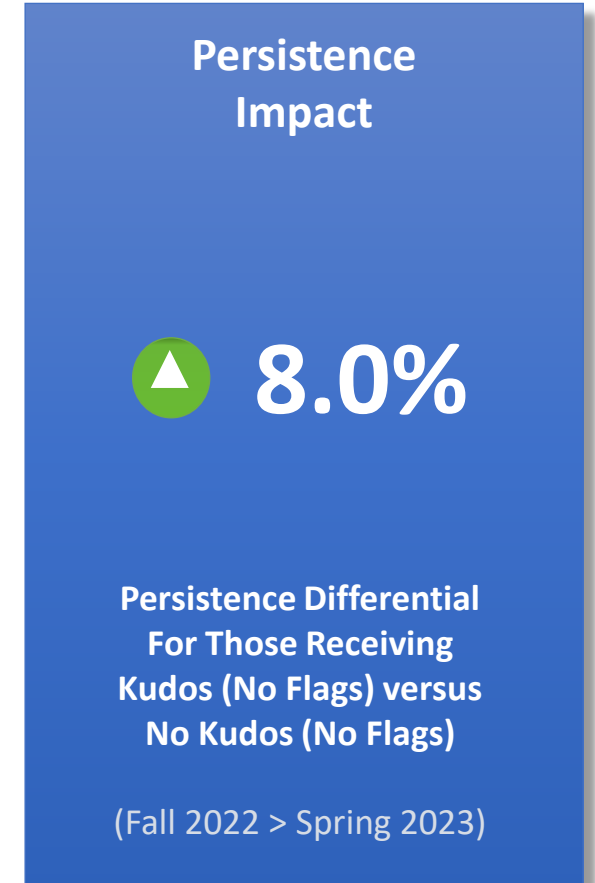

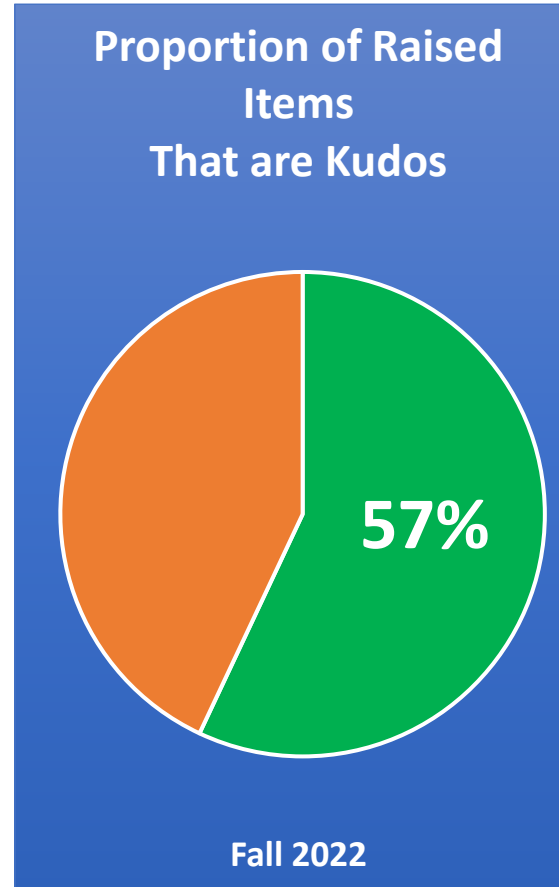

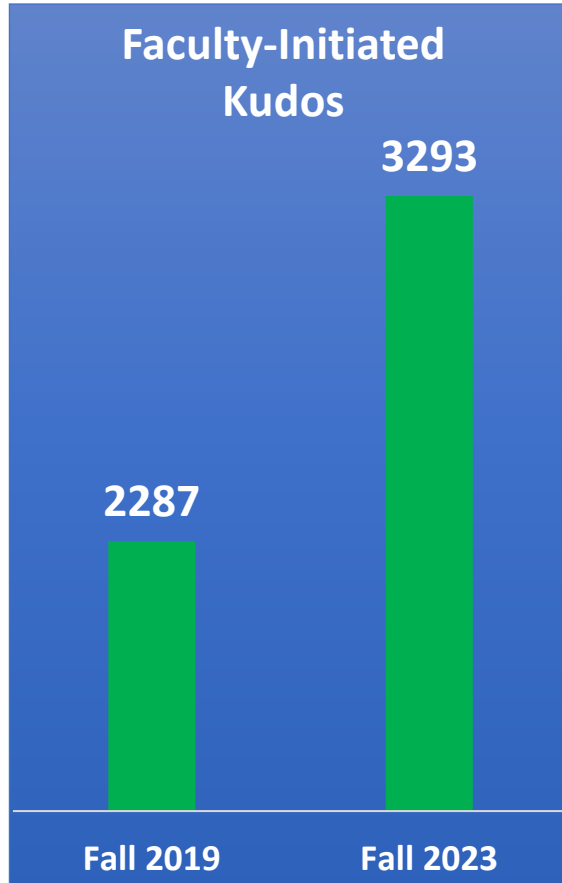

Engaging Students & their Personalized Success Network

- **All credit students** are in Starfish – effective Spring 2020.
- Faculty are sent **early alert surveys** around the quarter mark of the term for students who are either in high-stakes programs or those where data indicates a lower likelihood of persistence.
- Faculty and advisors may raise a **Kudo, Flag** or **Referral** for **any** student in their class/caseload at **any time** during the semester.
- Advisors leverage Starfish to **proactively communicate** with their assigned students.

Starfish: Kudos (*Power of Positive Feedback*)

Starfish: Kudos (*Examples from Faculty*)

Griffin is rocking out the chemistry! I appreciate that he is in the class. He asks good questions and keeps me on my toes.

Good job on the tough labs - keep up your B! I really enjoy having you in the class - your comfort with physics is helping nervous students be comfortable, too!

Excelente trabajo!!

You have a solid 'B', but 4 more percentage points brings your grade up to an 'A'. I know that you are capable of this!
