Date July, 1986

Office of College Relations

DAN BLAGG, DIRECTOR OF DEVELOPMENT, TO LEAVE

As of late August, 1986, Director of Development Dan Blagg will leave Harper College for a sunnier clime.

Dan has accepted a position as chairman of the Social Sciences Division and fund raising counsel at Good Hope School in St. Croix, Virgin Islands.

In commenting on Dan's resignation, College President Jim McGrath stated, "I, along with the College community, the Board of Trustees and the Board of the Harper College Educational Foundation, would like to thank Dan for all of his efforts in encouraging fund raising for Harper College. In addition, we would like to wish him every success in his new position."

PHYLLIS SCHERER TO RETIRE

Phyllis Scherer has been keeping things running smoothly in the Technology, Math and Physical Sciences Division for a long time. As a matter of fact, Phyllis has been at Harper College since August of 1968.

At the end of July, Phyllis and her husband will relocate in Bella Vista, Arkansas. Bella Vista is becoming a retirement center for people from the Northwest suburbs. Donn and Delores Stansbury will be there as of August. Former District 214 Superintendent Eddie Gilbert and his wife are there. John Rowe from Arlington High School and numerous other area residents have chosen the mild climate for retirement.

Phyllis has requested that there not be a College-wide retirement party for her. She thinks it will be difficult enough to say good-bye to Harper friends individually and just too overwhelming to have a College official send off with speeches. Phyllis will be leaving soon, so party or not, we all wish her the very happiest retirement and fond memories of all her friends at Harper College. You will be missed, Phyllis.

FALL SEMESTER COURSE SCHEDULES AVAILABLE

The Fall Semester Course Schedules have been delivered by the printer and are available in the Admissions Office and in distribution racks at the Information Center in Building A.

The course schedules will arrive in all College district homes this week by mail.

Education

BRENNENS' BOOK STORE NOTES

Economics professor Dennis Brennen sent in a brief note about the summer activities at Brennens' Book Store in New Buffalo, Michigan. On July 21, Dennis is having an autograph party with novelist Andrew M. Greeley to promote Greeley's new book, God Game. Dennis is also writing book reviews for the Harbor Country News, a newspaper published by Dispatch Publishing Company in Michigan City, Indiana.

For anyone who is planning to take a vacation in Michigan and would like to drop by Dennis' bookstore, the address is Brennens' Book Store, 137 N. Whittaker, New Buffalo, Michigan 49117.

New Buffalo has become quite a popular summer gathering place for many residents of Chicago and the suburbs.
