5. If your Honorlock extension has been activated, “Honorlock Proctored” will be displayed. Click “START”

The screenshot shows the ALEKS interface for a placement assessment. The main content area displays the assessment title "Square root of a perfect square" and a "CONTINUE MY PATH" button. Below this, the "PLACEMENT ASSESSMENT" section shows "Attempt 2 of 5" and a "Honorlock Proctored" status with a shield icon. A "START" button is located to the right of the status. The background features a "Learning Pie" chart for the "Module: Prep for Intermediate Algebra" with a score of 0. The right sidebar lists various math topics: Real Numbers (49 Topics), Linear Equations and Inequalities (38 Topics), Functions, Lines, and Systems (32 Topics), Exponents, Polynomials, and Radicals (26 Topics), and Geometry (16 Topics). The top navigation bar includes the ALEKS logo, the course name "Harper College Math Placement, Spring...", and progress indicators: "Mastered: 0", "Learned: 0", and "Remaining: 161".

#### 4. Click “Launch Proctoring”

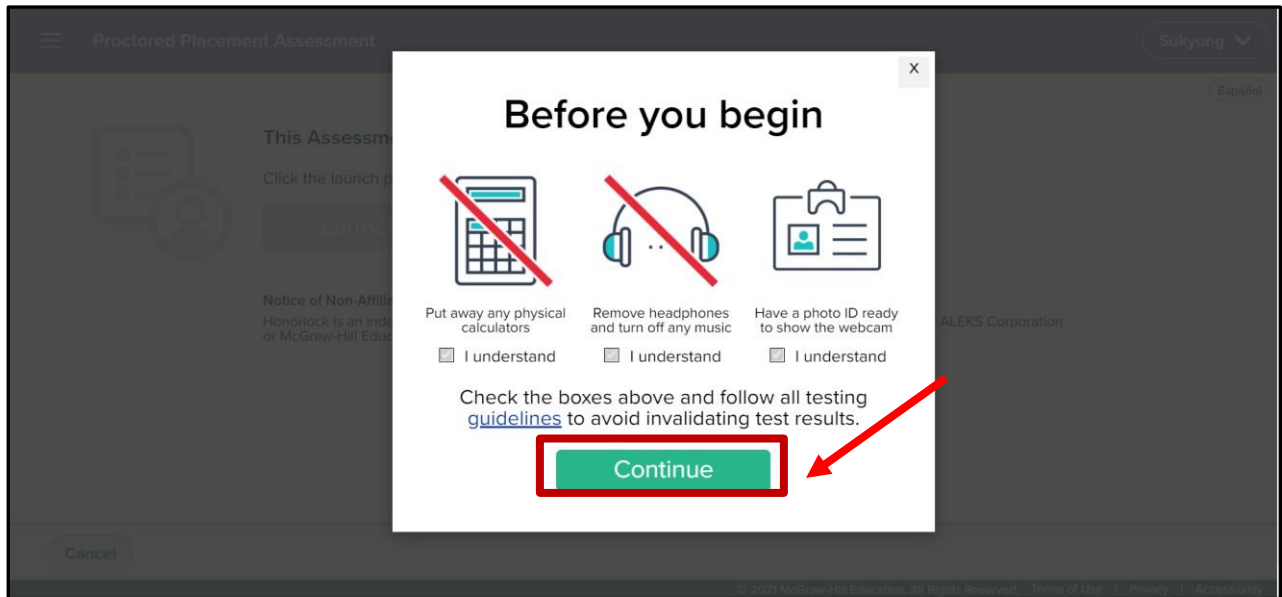

The screenshot shows the top navigation bar with a hamburger menu icon, the text "Proctored Placement Assessment", a user name "Sukyung" with a dropdown arrow, and a language selector "Español". On the left, there is an icon representing a document and a person. The main content area contains the heading "This Assessment is Proctored by Honorlock" and the instruction "Click the launch proctoring button to begin." Below this is a prominent green button labeled "Launch Proctoring", which is pointed to by a red arrow. Underneath the button is a "Notice of Non-Affiliation and Disclaimer" stating that Honorlock is an independent third-party tool not associated with ALEKS Corporation or McGraw-Hill Education. At the bottom left, there is a "Cancel" button.

#### 5. Click “Launch Proctoring”

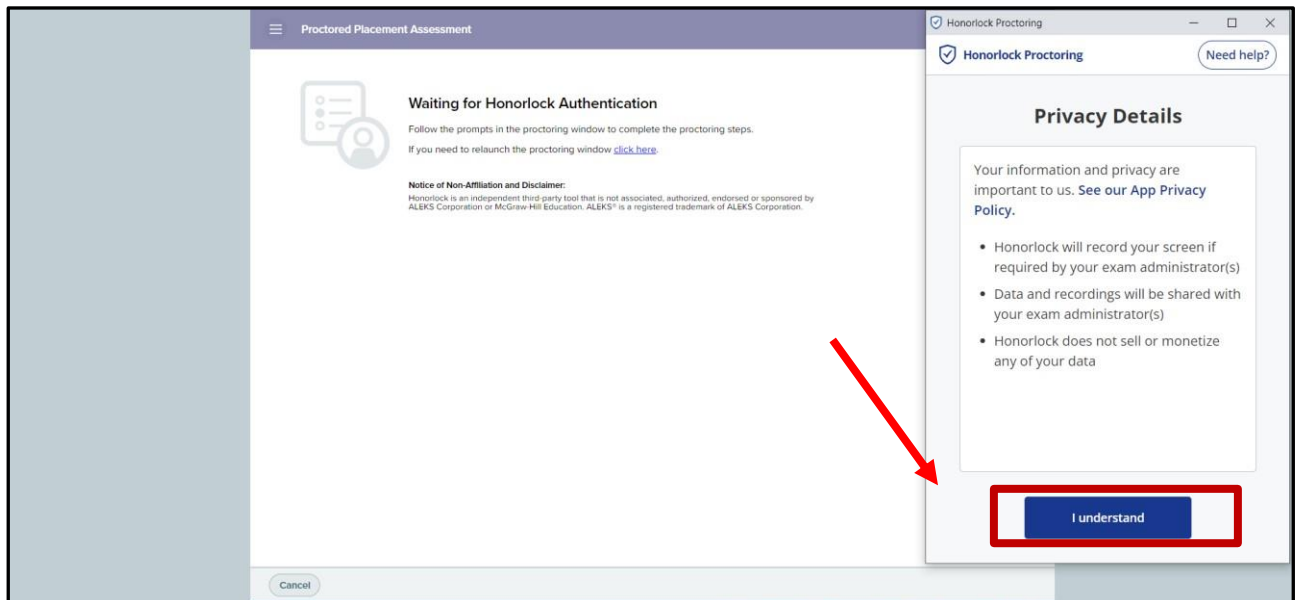

This screenshot shows the same interface as above, but with a modal dialog box open. The dialog is titled "Data Collection & Use" and contains text explaining data collection during the exam, including website visits, device features like camera and microphone, and face/voice recognition. It also includes a link to the "Exam Taker Privacy Notice". Below the text are two checked checkboxes: "I authorize the collection of this data" and "I agree to Honorlock's Terms of Service". A blue "Launch Proctoring" button is at the bottom of the dialog, highlighted by a red arrow. The "Notice of Non-Affiliation and Disclaimer" is visible at the bottom of the page, and a "Cancel" button is at the bottom left. The footer contains copyright information: "© 2022 McGraw Hill LLC. All Rights Reserved. Terms of Use | Privacy Center | Accessibility".

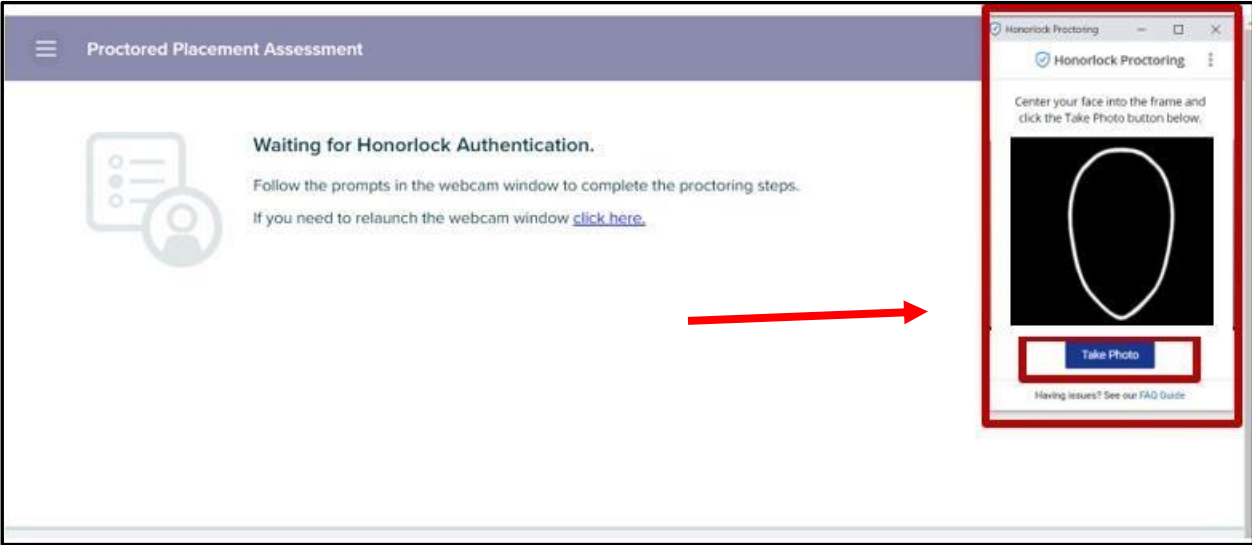

8. Click “Continue”

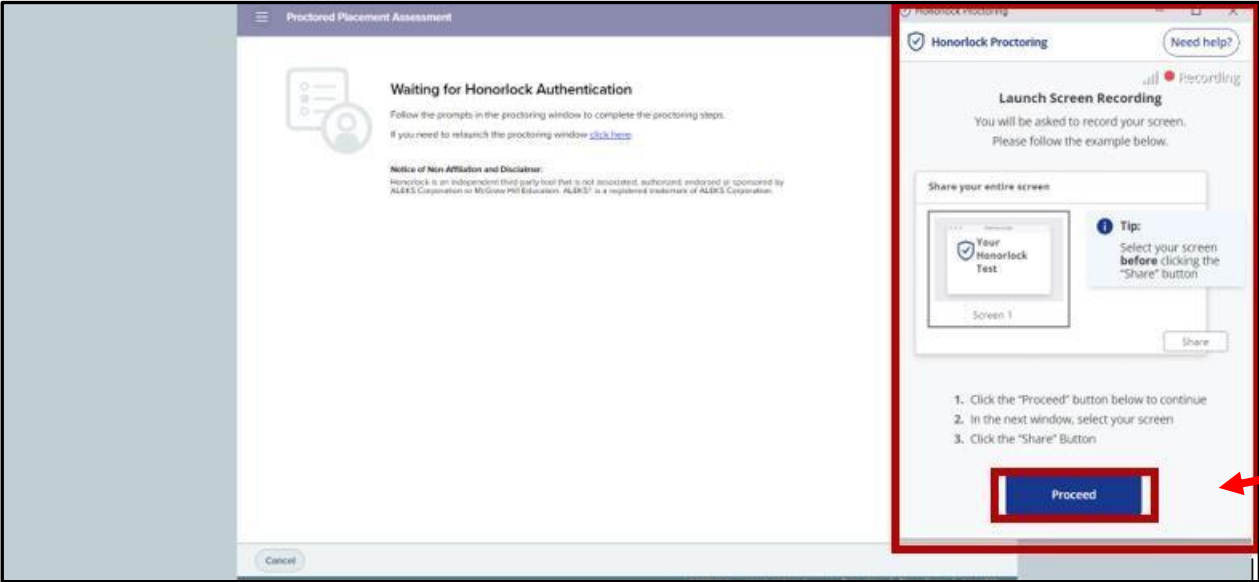

9. Click “I understand”

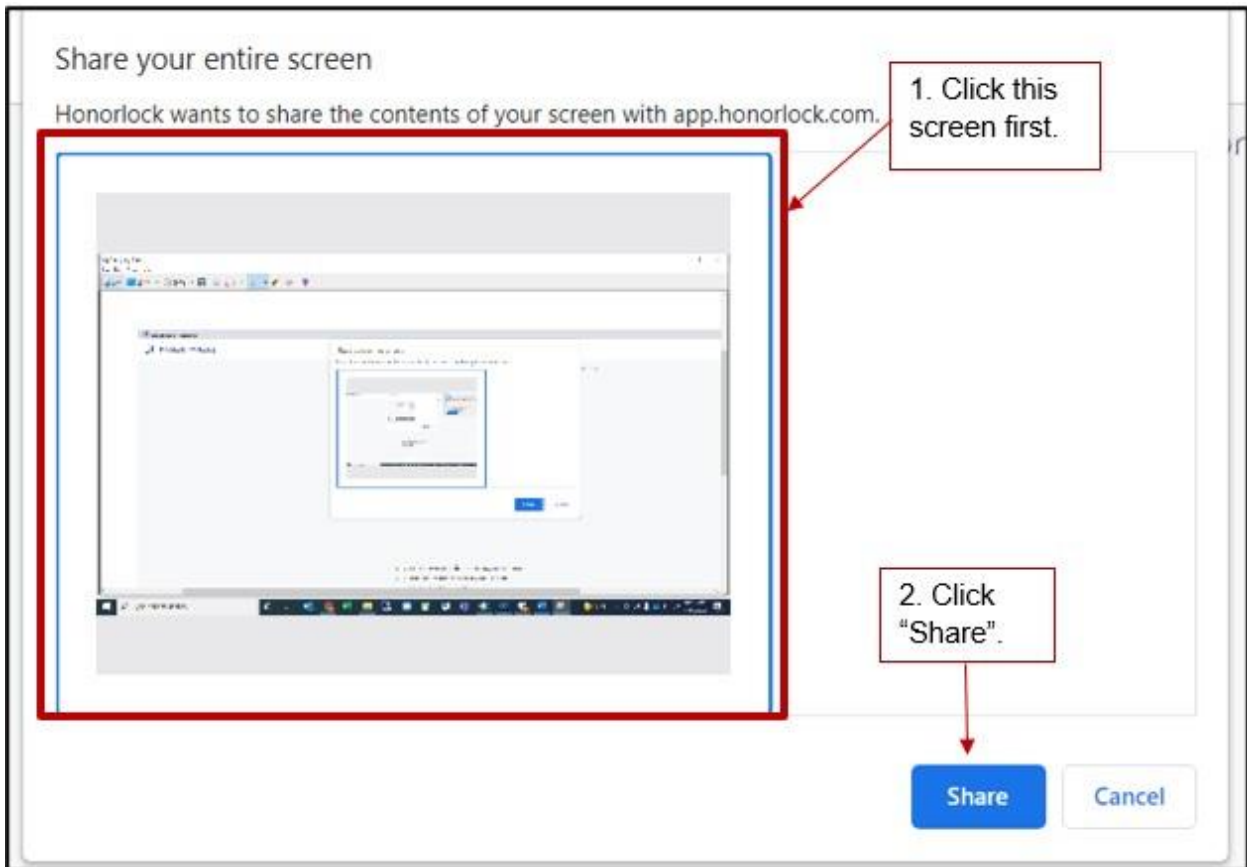

10. A new Honorlock Proctoring window will pop up. You can also access the Honorlock Proctoring window by clicking the icon  in the task bar. Now you will complete the authentication process by taking a photo of your face, your ID and scanning the room that you are in using the Honorlock Proctoring window which is highlighted in red in the image below.

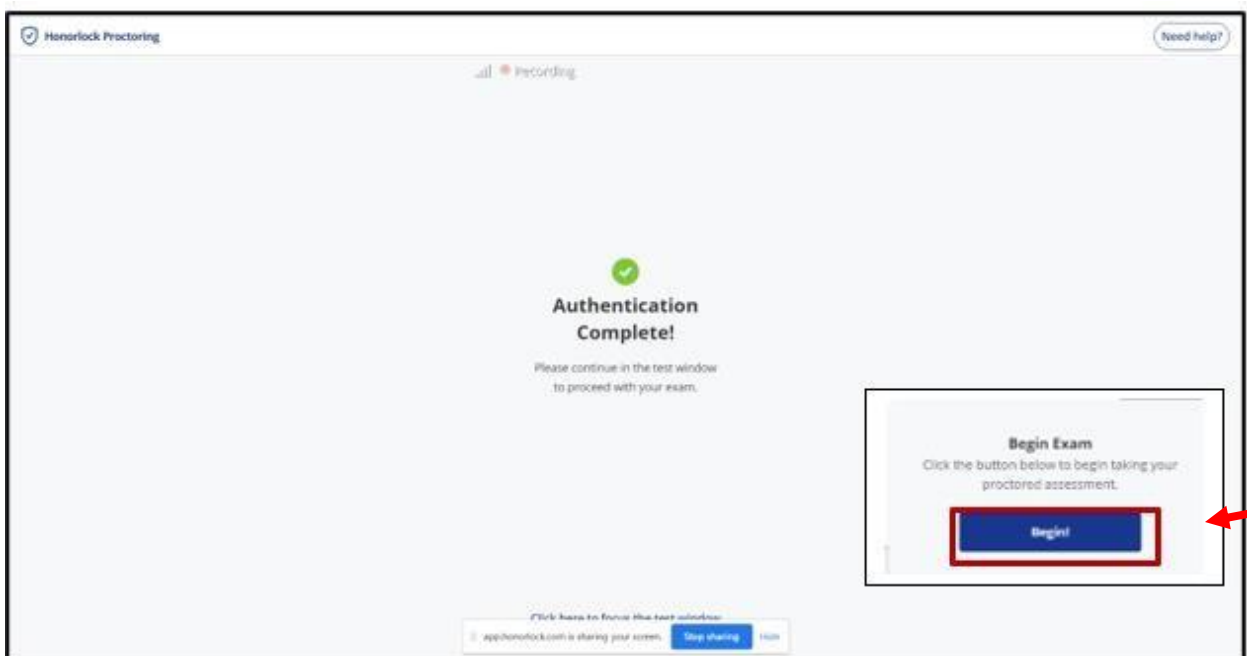

11. Click **“Proceed”**

12. Click the screen image first then the “Share” button will be activated. Click **“Share”**.

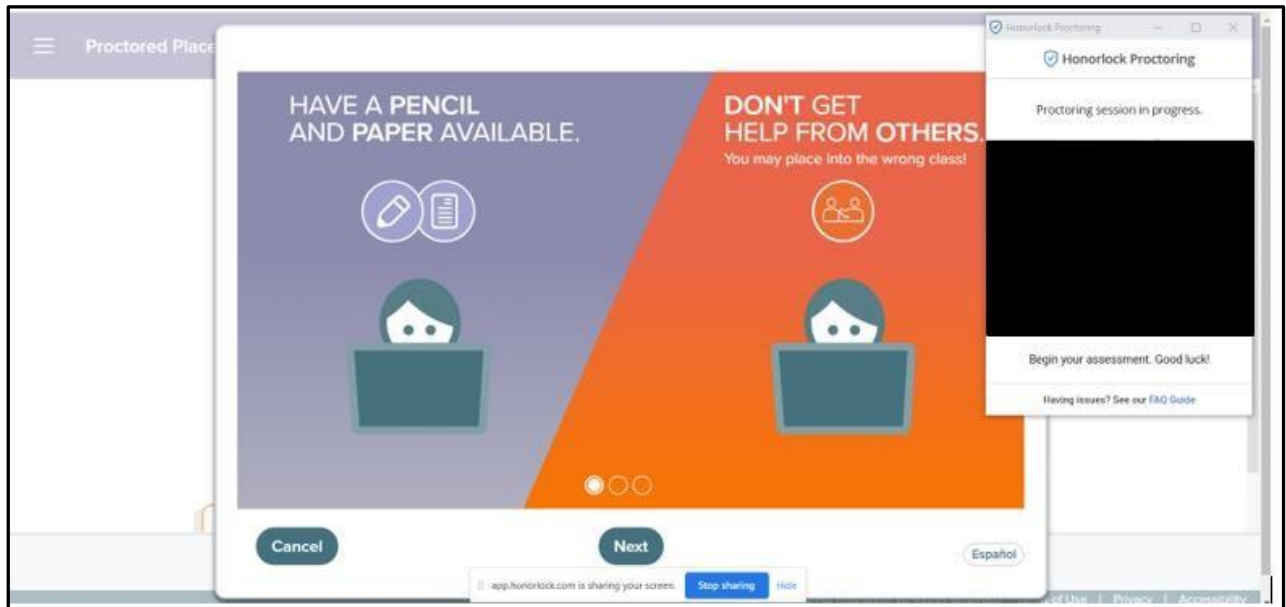

13. Now Authentication is complete. Click **“Begin”** to start the exam.

14. You can now start your ALEKS Math Placement test.

**YOU ARE ALLOWED TO USE A CALCULATOR AND SCRATCH PAPER FOR THE TEST.**

15. After you submit the test, you can remove HonorLock's Google Chrome Extension from your browser if you prefer. Go to settings in your browser and click "**Extensions**". Then click "**Remove**" under the Honorlock Chrome Extension.
